

DELAVNICA JAZZINTY 2024

Mednarodna delavnica in festival Jazzinty, ki bosta v letu 2024 potekala že 24. leto, predstavljata enega najpomembnejših mednarodnih jazzovskih festivalskih dogodkov pri nas.

Produkcija se v letu 2024 odvija **med 12. in 17. avgustom v Novem mestu**.

Kreativni in raznolik koncertni program spremlja intenzivna enotedenska glasbena delavnica, ki vsako poletje Novo mesto spremeni v osrednje neformalno izobraževalno središče za področje jazzovske glasbe v tem delu Evrope. Jazzinty je v več kot dveh desetletjih izobrazil preko 1.100 udeležencev delavnic ter izvedel več kot 250 koncertov slovenskih in mednarodnih glasbenikov.

Jazzinty 2024 se predstavlja s sloganom: življenje = ples

Rdeča nit letošnje produkcije je povezava med glasbo in plesom, ki sega globoko v preteklost in se v zadnjem obdobju zopet prebujata in prihajata v ospredje. Pestrost kultur ter žanrska fluidnost sta dve glavni vodili produkcije Jazzinty, ki tako že vrsto let skrbi za ustvarjanje trendov in grajenje mostov med umetniki in občinstvom.

JAZZINTY WORKSHOP 2024

International workshop and festival Jazzinty will be held for the 24th time in year 2024. It resembles one of the most important international festival events in Slovenia.

The production will take place **from 12th until 17th August in Novo mesto, Slovenia.**

The creative and colourful festival program is accompanied with an intensive weeklong music workshop, which transforms Novo mesto into an informal educational capitol for jazz music in this part of Europe. Jazzinty has educated more than 1.100 workshop participants and produced more than 250 concerts with Slovenian and international performers in its 24 years of history.

The slogan of Jazzinty 2024 is: life = dance

The main theme of this year's production is the connection between music and dance, which goes back deep into the past and has been reawakening and re-emerging in recent years. The diversity of cultures and genre fluidity are two of the main guiding values of Jazzinty's production, which has been creating trends and building bridges between artists and audiences for many years.
